There has been no change in this program. The program is open Tuesdays-Thursdays and Saturdays from 8am to 2pm.
Drop-off Recycling, FS, Urban	6233	Stark County, Plain Township (Diamond Park)		existing, ongoing	Goal 1	This drop-off recycling program yielded 534.92 tons of commingled recyclables in 2007. There has been no change in this program. The program is open from dawn to dusk each day.
Drop-off Recycling, FS, Urban	2816	Stark County, Plain Township (Middlebranch Elementary (p. 5-19)	fund	2005, ongoing	Goal 1	This drop-off recycling program yielded 40.42 tons of commingled recyclables in 2007. There has been no change in this program. The program is open from dawn to dusk each day.
Drop-off Recycling, FS, Urban	6238	Stark County, Plain Township (HOOVER PARK) (p. 5-19)		2008, ongoing	Goal 1	This facility opened in early 2008.
Drop-off Recycling, FS, Urban	6223	Stark County, Plain Township (K-MART) (p. 5-19)		2005, ongoing	Goal 1	This drop-off recycling program yielded 8.04 tons of commingled recyclables in 2007. This program closed in 2007.

Program Type	Program ID	Program Name	District Authority	Status	Goal	Activities in 2007
Drop-off Recycling, FS, Urban	3926	Stark County, Plain Township (Taft Middle School)		existing, ongoing	Goal 1	This drop-off recycling program yielded 508.85 tons of commingled recyclables in 2007. There has been no change in this program. The program is open from dawn to dusk each day.
Drop-off Recycling, FS, Urban	5613	Stark County, Sugar Creek Township (Wilmot Village Square) (p. 5-19)		2005, ongoing	Goal 1	This drop-off recycling program yielded 40.76 tons of commingled recyclables in 2007. There has been no change in this program. The program is open from dawn to dusk each day.
Drop-off Recycling, FS, Urban	3927	Stark County, Tuscarawas Township (Tuscarawas Township Hall)		2001, ongoing	Goal 1	This drop-off recycling program yielded 170 tons of commingled recyclables in 2007. There has been no change in this program. Hours of operation M-F 7.30am-4pm.
Drop-off Recycling, FS, Urban	2808	Tuscarawas County, LAWRENCE TOWNSHIP (Giant Eagle)		existing, ongoing	Goal 1	This drop-off recycling program yielded 195.13 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week and located at the Giant Eagle in Lawrence Township.
Drop-off Recycling, FS, Urban	5616	Tuscarawas County, Mill Township (Mill Township Garage)		2004, ongoing	Goal 1	This drop-off recycling program yielded 34.05 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week.
Drop-off Recycling, FS, Urban	4601	Tuscarawas County, New Philadelphia (New Philadelphia City Garage)		2002, ongoing	Goal 1	This drop-off recycling program yielded 79.75 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open M-F from 7:30am to 4pm.
Drop-off Recycling, FS, Urban	2817	Tuscarawas County, New Philadelphia (S & M Recycling)	fund	1994, ongoing	Goal 1	This facility is operated by a private company and no data was reported for 2007. Hours of operation M-Sat 9am-5pm.
Drop-off Recycling, FS, Urban	2845	Tuscarawas County, Uhrichsville City (Mako's Market and Pharmacy)	fund	1999, ongoing	Goal 1	This drop-off recycling program yielded 145.56 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week.
Drop-off Recycling, FS, Urban	6863	TUSCARAWAS, NEW PHILADELPHIA S&M RECYCLING (FROM 2007 ADR)		1994, ONGOING	GOAL 1	Details listed above in Program # 2817.
DROP-OFF RECYCLING, FS, URBAN	NEW	TUSCARAWAS, NEW PHILADELPHIA A&W PRODUCTS (FROM 2007 ADR)		ONGOING	GOAL 1	This drop-off recycling program yielded 53.61 tons of paper and cardboard only in 2007. There has been no change in this program. The facility is open 24 hours/day, 7 days a week.
Drop-off Recycling, FS, Urban	2846	Wayne County, Apple Creek Township (Apple Creek City Garage)	fund	existing, ongoing	Goal 1	This drop-off recycling program yielded 110.45 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week.
Drop-off Recycling, FS, Urban	2848	Wayne County, Chippewa Township (Chippewa Township Street and Water Maintenance)	fund	1999, ongoing	Goal 1	This drop-off recycling program yielded 64.74 tons of commingled recyclables in 2007. There has been no change in this program.
Drop-off Recycling, FS, Urban	2851	Wayne County, Dalton (VILLAGE GARAGE)	fund	1999, ongoing	Goal 1	This drop-off recycling program yielded 159.22 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week.
Drop-off Recycling, FS, Urban	2854	Wayne County, Milton Township (Milton Township Garage)	fund	1999, ongoing	Goal 1	This drop-off recycling program yielded 50.15 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week.
Drop-off Recycling, FS, Urban	2859	Wayne County, Rittman City (Front Street Garage)	fund	existing, ongoing	Goal 1	This facility does not exist. Rittman has curbside recycling.
Drop-off Recycling, FS, Urban	2856	Wayne County, Smithville (across from Agri-Mark)	fund	1999, ongoing	Goal 1	This drop-off recycling program yielded 165.19 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week.
Drop-off Recycling, FS, Urban	2853	Wayne County, Sugarcreek Township (Kidron Elementary School)	fund	1999, ongoing	Goal 1	This program is the same as Program # 6860 listed above.

Program Type	Program ID	Program Name	District Authority	Status	Goal	Activities in 2007
Drop-off Recycling, FS, Urban	2860	Wayne County, Wooster Township (College of Wooster)		2000. ongoing	Goal 1	This drop-off recycling program yielded 104.94 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week.
Drop-off Recycling, FS, Urban	6249	Wayne County, Wooster Township (Valley College Grange)		existing, ongoing	Goal 1	This drop-off recycling program yielded 111.60 tons of commingled recyclables in 2007. There has been no change in this program. The drop-off center is open 24 hours/day, 7 days a week.
DROP-OFF RECYCLING, FS, URBAN	NEW	WAYNE COUNTY, OARDC RECYCLING DROP-OFF		ONGOING	GOAL 1	This drop-off recycling program yielded 8.24 tons of commingled recyclables in 2007. There has been no change in this program.
Electronics Collection	6231	Electronics Collection Program (see pg. V-32)		2007, ongoing	Goal 2, Goal 5	This program is included in Program # 6227.
Grants/Funding	6259	District Recycling Grants		Existing, 2007	Goal 1,2	See programs # 6222 and 6225.
Grants/Funding	6261	Education Grants Program (p. 5-25)		Existing, 2007	Goal 4	As a result of the consolidation, funding for the three county education specialists is no longer issued in the form of grant funding. Projects and costs are accounted for internally by the educators, their supervisor and treasurer. The only grant funding issued in 2007 as "Education/Awareness" grant funding was $15,000 to Stark State College of Technology for Envirofest, a recycling program focusing on business and industry.
Grants/Funding	6279	Grant Accountability Procedures (p. V-6, V-7)		2007, ongoing	n/a	The District hired a full-time grant administrator who has fifteen years of experience in administering grants. All grant requests to the District in 2007 were required to be submitted in writing on a pre-formatted grant application. Each application was subject to board approval. Each grantee was required to sign a grant agreement which obligated them to file quarterly fiscal and technical reports in order to receive payment. All grantees were invited to a meeting conducted by the District to explain the transition funding procedure. All grants were monitored each quarter and no funding was issued without properly completed quarterly reports submitted in a timely manner. A letter was included with each payment detailing the breakdown of the funding relative to transition rules and potential impact for FY 2009. No new software was purchased. All administration was accomplished with Microsoft Word and Excel
Grants/Funding	6263	Model Community Grants (p. V-25)		2008, 2009	Goal 1	This is a planned activity for 2008.
Grants/Funding	6254	Program Start-up Grants (p. 5-20)		2007, ongoing	Goal 1, Goal 2	The District awarded the City of Canton $700,000 to start-up a new curbside recycling program in 2007. The program is projected to begin in 2008.
Grants/Funding	6268	Recycling Drop-off Clean-ups/Manning Group Grants (p. V-42)		existing, ongoing	Goal 1	In 2007, the District awarded $35,400 to 7 drop-off sites in Stark County, 20 in Wayne County and 3 in Tuscarawas County.
Grants/Funding	6262	Recycling Infrastructure Enhancement Grants (p. V-38)		2007, ongoing	Goal 2, Goal 8	No funding awarded in 2007. Two applications were received by the District in 2007 that may be awarded in 2008 from the 2007 budget allocation. Board review is scheduled for April 4, 2008. There was no tonnage diverted in 2007.

Program Type	Program ID	Program Name	District Authority	Status	Goal	Activities in 2007
Grants/Funding	6222	Recycling Makes $ense Program (p. V-21 - 24)		2007, ongoing	Goal 1, Goal 2, Goal 6	For 2007, a total of 9 grants were awarded to the following grantees: Alliance ($25,119 for 558 tons from curbside), Canton ($2,275 for 91 tons from drop-off), Jackson Twp ($73,773 for 1,844 tons from drop-off), Massillon ($7,200 for 180 tons from drop-off), North Canton ($33,615 for 747 tons from curbside), Perry Twp ($35,680 for 892 tons from drop-off), Orville ($17,507 for 389 tons from curbside), Rittman ($9,180 for 204 tons from curbside) and Wooster ($35,325 for 785 tons from curbside).
Grants/Funding	6264	Sherriff Department Grants (p. V-38-39)		existing, ongoing	n/a	In 2007, Stark County received $234,000 (returned $12,666.51 in unexpended funds), Tuscarawas County received $128,000 (returned $13,218.39 in unexpended funds) and Wayne County received $139,000 (returned $4,302.69 in unexpended funds) for litter enforcement, collection and landfill patrols.
Grants/Funding	6281	Transition Funding (p. 5-24)		2007, 2008	Goal 1, Goal 2, Goal 6	For 2007, transition funding was awarded to Canton ($51,285 for Recycling), Massillon ($36,969 for Composting and $23,700 for Recycling), North Canton ($28,185 for Recycling), Perry Township ($10,670 for Recycling), New Philadelphia ($44,670 for Composting and $84,995 for Recycling), Rittman ($23,850 for Composting and $3,180 for Recycling) and Wooster ($15,145 for Recycling).
Health Dept. Funding/Open Dumps	6267	Health Department Grants - Solid Waste Inspections (p. V-39)		existing, ongoing	n/a	A total of $46,800 was provided to the Stark County Health Department for inspections at Countywide and American Landfills.
Health Dept. Funding/Open Dumps	6266	Health Department Grants - Well Monitoring (p. V-39)		existing, ongoing	n/a	A total of $4,220 was provided to the Stark County Health Department for well monitoring near Countywide Landfill.
Health Dept. Funding/Open Dumps	6265	Health Department Grants (p. V-39)		existing, ongoing	n/a	A total of $538,400 was provided to the following health departments: Stark County ($262,000), Tuscarawas County ($108,000), Wayne County ($112,400) and Canton City ($56,000). This funding was utilized for supporting District programs relating to solid waste and litter law enforcement.
Household Hazardous Waste	6228	Develop A-Z guide on recycling and disposal of HHW. (See pg. V-31)		2007, ongoing	Goal 4, Goal 5	The District hired GT Environmental to conduct the Recycling Infrastructure Study. Results from the Study, including this program, will be presented to the District in 2008.
Household Hazardous Waste	6230	Explore Permanent HHW Facility (see V-32)		2007, ongoing	Goal 5	The District hired GT Environmental to conduct the Recycling Infrastructure Study. Results from the Study, including this program, will be presented to the District in 2008.
Household Hazardous Waste	6227	HHW Collection Program (p. 5-31)		existing, ongoing	Goal 2, Goal 5	The HHW program collected 823.24 tons of materials of which 715.34 tons were recycled. The HHW program also collected electronics (461.71 tons) and tires (224.79 tons). The collections occurred throughout August and September of 2007. Over 13,000 cars participated in the HHW event in 2007.
Household Hazardous Waste	6229	Latex Paint/Fuel blending (See pg. V-31)		2007, ongoing	Goal 2, Goal 4, Goal 5	The District hired GT Environmental to conduct the Recycling Infrastructure Study. Results from the Study, including this program, will be presented to the District in 2008. In 2007, Clean Harbors did blend all usable latex with flammable paint and recycled as cement kiln fuel.

Program Type	Program ID	Program Name	District Authority	Status	Goal	Activities in 2007
Industrial Recycling and Reduction	6258	Ohio Material Exchange (OMEX) (p. 5-37)		existing, ongoing	Goal 2, Goal 3, Goal 4	'This program has been established and is operated through the Association of Ohio recyclers. In 2007, program details were available online and can be assessed by industries at all times.
Lead-Acid Battery Programs	2978	Lead Acid Battery Collection (p. 5-32)		existing, ongoing	Goal 2, Goal 5	This program is included in Program # 6227.
Market Development Programs	6275	Market Development Grants - The Market Development Grant program will be will be discontinued and replaced with the RIEG and CIEG grant programs (p. V-38)		existing, 2007	Goal 6, Goal 7	No activity in 2007.
Market Development Programs	6296	Promote Market Development		2007, ongoing	Goal 4, Goal 7	No activity in 2007.
Other Facilities (1)	2991	American Landfill (Tables III-1, VI-4A)	no	existing, ongoing	n/a	This facility continues with no changes.
Other Facilities (1)	6298	American Tire Monofill (Tables III-1, VI-4A)		existing, ongoing	n/a	This facility closed in late 2006.
Other Facilities (1)	2992	Countywide Recycling and Disposal Facility(Tables III-1, VI-4A)	no	existing, ongoing	n/a	This facility continues to operate but has significant environmental issues that the District is actively participating in the corrective actions of the issues.
Other Facilities (1)	2996	Kimble Landfill (Tables III-1, VI-4A)	no	existing, ongoing	n/a	This facility continues with no changes.
Other Facilities (1)	2994	Kimble Transfer and Recovery Facility (Tables III-3, VI-4B)	no	existing, ongoing	n/a	This facility continues with no changes.
Other Facilities (1)	6270	Newcomerstown Landfill (p. V-40)		2007, 2009	n/a	No activity in 2007.
Other Facilities (1)	6300	Rittman Paperboard (Tables III-1, VI-4A)		existing, ongoing	n/a	This facility closed in 2006..
Other Programs	6269	Audit Committee (p. 5-40)		2007, ongoing	n/a	The Audit Committee met 4 times in 2007 (after each quarter was completed) to review financial affairs of the District. The Committee consists of 3 Board of Directors members, 2 Policy Committee members, the Executive Director, Treasurer and the District's legal counsel.
Other Programs	6253	Comprehensive Infrastructure Study (p. V-35, 36)		2007, 2008	Goal 1, Goal 2, Goal 5	The District hired GT Environmental to conduct the Recycling Infrastructure Study. Results from the Study, including this program, will be presented to the District in 2008. The compost portion of the Study was completed in 2007. A copy of this report can be provided by the District if requested.
Other Programs	6248	Data collection & database of recycling processors (p. V-35)		2007, ongoing	Goal 3, Goal 4	The District contracted with GT Environmental to conduct a comprehensive recycling survey for 2007 data. Surveys were sent to 1,234 industrial businesses, 3,022 commercial businesses, 72 compost facilities, all three county recycling offices, 31 recycling brokers and facilities and 50 solid waste haulers. All generators were asked to disclose the recycling processor used so the District could further develop its processors list for future surveying.
Other Programs	6271	Disaster Debris Management (p. V-40)		2007, ongoing	n/a	The District evaluated a proposal from GT Environmental in 2007 to create a Disaster Debris Management Plan. The proposal was presented to the Board but was tabled until 2008.
Other Programs	6255	Full-time Program Auditor/Grant Administrator (p. V-15, 16)		2007, ongoing	n/a	The District hired the Grant Administrator on March 12, 2007.
Other Programs	6292	I-77 Off ramp (p. 5-40)		n/a	n/a	No activity in 2007.
Other Programs	6272	Proposed quarterly budgets (p. V-40)		2007, ongoing	n/a	Since the OEPA Plan was issued so late the 1st Qtr 2007 report was waived but the submission dates of the other quarters were 02/23/07, 05/31/07 and 08/30/07.

Program Type	Program ID	Program Name	District Authority	Status	Goal	Activities in 2007
Other Programs	6256	Restructuring of County Recycling Offices - (pp. V 12, 13)		2007, ongoing	n/a	In 2007 the three recycling offices all became part of the District. Stark County employees came to the District office, Tuscarawas County employees remained in Tuscarawas County and Wayne County employees remained in Wayne County. The District now has 14 Full-Time employees and 1 Part-Time employee.
Other Programs	6903	SATURDAY CARDBOARD ROUTE (FROM 2007 ADR)		ONGOING	GOAL 2	This program recycled 608.48 tons of cardboard in 2007. No other update.
Other Programs	6904	STARK COUNTY GOVERNMENT BUILDING RECYCLING (FROM 2007 ADR)		ONGOING	GOAL 2	This program recycled 122.67 tons of mixed paper and cardboard in 2007. The District also collected 27.16 tons of mixed paper from Stark County libraries in 2007.
Other Residential/Commercial Recycling	6240	Appliance Roundup (see pg. V-32)		existing, ongoing	Goal 2	The District held 3 collections, one in each county, that occurred over 15 days in April of 2007. The District recycled 187.66 tons of appliances in 2007. A total of 3,239 appliances were collected through this program from 1,420 participants.
Other Residential/Commercial Recycling	6297	Drop-offs at Schools		2007, ongoing	Goal 1, Goal 2	The District collects mixed paper, office paper at 122 schools located throughout the three county area. In addition, some schools also include plastic, glass, aluminum and other materials in the collection. In 2007, 760 tons of recyclables were collected and processed.
Other Residential/Commercial Recycling	6221	Promotion of Volume-Based Billing Collection Programs (p. V-8, 9)		2007, ongoing	Goal 1, goal 2	No activity in 2007.
Other Residential/Commercial Recycling	6244	Reuse and Donation Centers (p. V-33)		existing, ongoing	Goal 2, Goal 3	The District as several reuse centers operating in 2007, including the following: Canton ReStore (375.71 tons) & Stock Pile (106.20 tons) (Stark County) and Friendtique (151.49 tons) & Wayne ReStore (112.29 tons) (Wayne County).
Other Residential/Commercial Recycling	6287	Tuscarawas Business Route (p. V-33)		existing, ongoing	Goal 2, Goal 4	This recycling program yielded 198.03 tons of specialized commercial products in 2007. There has been no change in this program. Collection occurs weekly. This program is operated by the District.
Residential Sector Education and Awareness	6283	Annual Education Plan (p. V-13, V-26)		2007, ongoing	Goal 3, Goal 4	The District hired three educational specialists in 2007. The District will develop detailed education and awareness plans for each county in 2008.
Residential Sector Education and Awareness	6284	Envirofun (p. V-25)		existing, ongoing	Goal 3, Goal 4	This event is held every other year with 2008 being the next event.
Residential Sector Education and Awareness	6282	General Education Activities (p. 5-25		existing, ongoing	Goal 3, Goal 4	The District conducted multiple education and awareness events/activities in 2007 that were designed to reach out to all sectors of the District. These events/activities included: 364 educational presentations to 12,023 students , 2 teacher work shops, 18 contests, 2 county fairs booth displays, 9 newsletters, 1 informational flier, 16 meetings and seminars and other activities.
Residential Sector Education and Awareness	6902	RECYCLING JEOPARDY PROGRAM FOR ALL THREE COUNTIES (FROM 2007 ADR)		ONGOING	GOAL 3, 4	No activity in 2007.
Residential Sector Education and Awareness	6900	RECYCLING PROGRAM FLIER FOR TUSCARAWAS COUNTY DISTRIBUTED TO NEW RESIDENTS AND AT PUBLIC EVENTS (FROM 2007 ADR)		ONGOING	GOAL 1, 2, 3, 4	The District produces a recycling program flier that is distributed to new residents to the County and at all public events that the County participates in. The District uses 19 different fliers depending on the area or program.
Residential Sector Education and Awareness	6899	SEMI-ANNUAL NEWSLETTERS FOR ALL DISTRICT COUNTIES SUMMARIZING LOCAL RECYCLING OPTIONS (FROM 2007 ADR)		ONGOING	GOAL 1, 2, 3, 4	The District distributes semi-annual newsletters throughout the tri-county area that summarizes local recycling options for residents and businesses in the District. Total distribution for 2007 was 534,000.
Residential Sector Education and Awareness	6901	STARK COUNTY NEWSLETTER, ROAD TO RECYCLING (FROM 2007 ADR)		ONGOING	GOAL 1, 2, 3, 4	This program was discontinued at the end of 2006.

Program Type	Program ID	Program Name	District Authority	Status	Goal	Activities in 2007
Residential Sector Education and Awareness	6286	Waste Reduction Report Card (pp. V-26, 27)		2007, ongoing	Goal 2, Goal 4	The District developed a detail residential recycling report card for 2007. The report showed 2006 and 2007 recycling totals for each county regarding curbside and drop-off programs including yard waste and tires. The report is posted on the web site and was distributed around the District.
Residential Sector Education and Awareness	6285	Web page (pp. V-25, 26)		2007, ongoing	Goal 3, Goal 4	The District plans on updating the web site in 2008 to include a very intensive education and awareness section. Regular updates, schedules and notices are handled as needed. The web site did included information about all recycling, yard waste and tire drop off sites, all curbside recycling program, special collection events (HHW, Appliances, Tires, Electronics) other recycling opportunities, and the times, dates, acceptable materials and other pertinent details for each of the areas listed above.
Scrap Tire Programs	6242	Scrap Tire Collection (p. 5-32)		2007, ongoing	Goal 2, Goal 5	Scrap tires are collected and recycled through several events and facilities within the District. In 2007, 224.79 tons were recycled at the HHW collections events and 389.60 tons were collected at drop-off sites throughout the counties in the District.
Yard Waste Programs	6225	"Composting Makes $ense" - Replaces the District's existing yard waste funding system in 2007 (pp. V-27-31)		2007, ongoing	Goal 2, Goal 5, Goal 6	For 2007, a total of 6 grants were awarded to the following grantees: Louisville ($51,280 for 2,054 tons of yard waste), Massillon ($22,050 for 882 tons of leaves and yard waste), New Philadelphia ($22,950 for 918 tons of leaves and yard waste), Dalton ($5,280 for 211 tons of yard waste), Rittman ($12,200 for 610 tons of leaves) and Wooster ($72,900 for 3,645 tons of leaves).
YARD WASTE PROGRAMS	NEW	ALLIANCE CITY, YARD WASTE PROGRAM		ONGOING	GOAL 2	This yard waste recycling program yielded 641 tons of compostable yard waste in 2007. There has been no change in this program.
Yard Waste Programs	6871	BALTIC VILLAGE LEAF COLLECTION (FROM 2007 ADR)		ONGOING	GOAL 2	This program continues. Collection occurs after every large storm and for one week in the fall each year. No data has been submitted for 2007.
Yard Waste Programs	6883	BEACH CITY VILLAGE YARD WASTE DROP-OFF (FROM 2007 ADR)		ONGOING	GOAL 2	This yard waste recycling program yielded 52.35 tons of compostable yard waste in 2007. There has been no change in this program. This facility is open from dawn to dusk each day.
Yard Waste Programs	6866	CANAL FULTON VILLAGE COMPOSTING (FROM 2007 ADR)		ONGOING	GOAL 2	This yard waste recycling program yielded 340.48 tons of compostable yard waste in 2007. There has been no change in this program. This facility is open from dawn to dusk each day.
Yard Waste Programs	6894	CANAL FULTON YARD WASTE DROP-OFF (FROM 2007 ADR)		ONGOING	GOAL 2	Same as Program #6866
Yard Waste Programs	6884	CANTON TOWNSHIP YARD WASTE DROP-OFF (FROM 2007 ADR)		ONGOING	GOAL 2	This yard waste recycling program yielded 1,801.24 tons of compostable yard waste in 2007. There has been no change in this program. This facility is open from dawn to dusk each day.
Yard Waste Programs	6895	CHRISTMAS TREE DROP-OFF IN ALL THREE COUNTIES (FROM 2007 ADR)		ONGOING	GOAL 2	The District now has yard waste drop-off centers in all three counties which eliminates the need for this program.
Yard Waste Programs	6291	Composting Infrastructure Enhancement Grant (p. 5-38)		2007, ongoing	Goal 2, Goal 5, Goal 8	No funding awarded in 2007. One application was received by the District in 2007 that may be awarded in 2008 from the 2007 budget allocation. Board review is scheduled for April 4, 2008. No tonnage diverted in 2007.
Yard Waste Programs	6896	DALTON TOWNSHIP GARAGE (FROM 2007 ADR)		ONGOING	GOAL 2	This yard waste recycling program yielded 211.20 tons of compostable yard waste in 2007. There has been no change in this program.

Program Type	Program ID	Program Name	District Authority	Status	Goal	Activities in 2007
