

## LETTER PERFECT PENCIL HOLDER

### Required Materials

- ♻️ a flat, round cheese box or two tops from boxes of oats (labels removed)
- ♻️ cut out letters from magazine pages
- ♻️ several toilet paper and paper towel rolls
- ♻️ paints and brushes
- ♻️ glue
- ♻️ scissors

### Step-By-Step Procedures

1. Cut the toilet paper and paper towel rolls into different sizes.
2. Glue three (3) different size rolls to the top of the cheese box or oats lids.
3. If you're using the oats lids, make a few snips in the top piece. This will help it fit over the bottom piece.
4. Paint the pencil holder. You can paint it all one color or try painting each roll and base a different color depending on your preference.
5. Decorate the holder by gluing on letters you've cut out of magazines.
6. Now place on your desk, fill with supplies and get down to work!
7. **Optional:** Instead of using letters, you can also use stickers, beads, shells, decorations, pictures, glitter and any other type of material that you would like.
