

PIE PLATE PICTURE FRAME

Required Materials

- ♻️ recycled aluminum pie plate

- ♻️ hot glue gun (make sure younger kids have an adult to use the glue gun)

- ♻️ photograph

- ♻️ small decorative items (i.e. shells, buttons, fish etc.)

- ♻️ scissors or screwdriver

or

Step-By-Step Procedures

1. Choose a photograph.
2. Crop the photograph to the size of the inside of the aluminum pie plate.
3. Using the hot glue gun, glue on the photograph.
4. Decorate the outside of the aluminum pie plate with small decorations (depending on what theme you would like to go with).
5. Using scissors or a screwdriver, punch a hole in the flat part of the pie pan (this is so you can hang it).
6. Hang and enjoy.
